WORK EXPERIENCE

2004 – Present **Chewning Design, LLC** (Alexandria, Va)

As a full-time freelance consultant, I partner with my clients to help build their brand and communicate their message. I'm a good listener while gathering facts. I'm adept at visual concepts and executing them for print and digital media. Projects include logos, brochures, publications, exhibit displays and digital/web support.

Corporate and Association clients have included: Huntington Ingalls, Honeywell, Intel, Medtronic, Shell Oil, Vornado Realty, U.S. Army Corps of Engineers, Accreditation Council for Accountancy and Taxation, Academy of Managed Care Pharmacy, Association for Supervision & Curriculum Development, National School Boards Association, and National Society of Accountants. *Samples can be found at www.chewningdesign.com* (portfolio tab).

2000 – 2004 **Marketing General, Inc.** (Alexandria, Va) — ASST. ART DIRECTOR
Assisted in the management of an 8-person art department for one of the Washington, DC area's largest association marketing firms at the time.

Personal
Interests

Besides graphic arts, I dabble in oils and watercolor. I lead a morning *mind-body* class in my condo and find that a balanced life shows up in my work. I am a certified **Meditation Teacher** and **HeartMath®** coach. I speak at a national education conference each year about the mind-body connection. I have a green thumb and am proud of my urban patio herb garden. I love to travel.

EDUCATION

Virginia Commonwealth University (Richmond, VA)
Bachelor of Fine Arts degree, Communication Arts & Design
Graduated Cum Laude
National Deans List
